

Lakeville South High School Boys Soccer

We invite you to participate in our 2026 Lakeville South High School Boy's Soccer Sponsorship Program. Lakeville South High School Booster is a 501(c)(3) nonprofit organization dedicated to supporting our athletes and coaches through financial assistance and volunteer efforts.

Our mission is to help every player have a positive high school experience and the opportunity to reach their full potential. Through the generosity of families, friends, and community partners, the Booster Club helps make that possible by supporting:

- Financial assistance for players in need
- Equipment costs
- Transportation expenses
- Team events and activities
- Recognition of senior participants
- Coaching fees

Like many athletic programs, our season expenses are not fully covered by booster or district contributions. As a result, fundraising is essential each year to ensure our athletes have the resources and experience they deserve.

We invite you to join us as a financial sponsor with a tax-deductible contribution (Tax ID 27-3154657, State #2156395). The attached flyer outlines the four sponsorship levels and the benefits associated with each one. You can also visit our sponsorship link:

<https://www.lakevillesouthboyssoccer.com/sponsors>.

Thank you for considering a sponsorship that helps support the Lakeville South High School Boys Soccer Program and our student athletes.

Please send any questions regarding the sponsorship to Amy Huber at huberamyj@gmail.com or 612-998-4483.
